

VISHESH R S

2ND YEAR MECHANICAL STUDENT

+91 8807259304
vishesh@gmail.com
Chennai, Tamil Nadu, India
<https://acesse.one/0epsoco>

PROFESSIONAL OVERVIEW

Mechanical Engineering student with a strong interest in **mechanical design, manufacturing, automation, robotics, and AI**. Skilled in applying engineering fundamentals to practical projects and prototype development. A proactive learner with strong problem-solving abilities and a keen interest in developing innovative, industry-relevant solutions.

WORK EXPERIENCE

Quality Check – Intern (25 Days)

Asahi India Glass Ltd., AIS Auto glass

- Gained practical exposure to **automotive glass manufacturing, production processes, and quality inspection** in an industrial environment.
- Observed and supported **process monitoring, defect identification, and quality-control practices**, developing a better understanding of manufacturing standards and workplace safety.
- Developed practical knowledge of **manufacturing operations, process discipline, and continuous improvement** through hands-on industrial exposure.

PROJECTS

1) F450 Quadcopter Drone Prototype

- Designed and assembled an F450-based quadcopter, integrating motors, ESCs, propellers, flight controller, and power system.
- Tested motor operation, power distribution, and propeller configuration to troubleshoot flight-performance issues.

2) 3D CAD Mechanical Design

- Created and developed **3D CAD models and mechanical components**, focusing on accurate dimensions, assemblies, and design visualization.
- Created a 4 cylinder inline engine . .

EDUCATION

Bachelor's degree

SKCET , Coimbatore

2025 – 2029

SKILLS

- Communication
- Teamwork
- Critical thinking
- Time management
- Leadership
- Adaptability

ACHIEVEMENTS

National Handwriting Champion
2015

TECHNICAL EVENTS

Yukta Hackathon

PSG college of Technology
2025

Ideathon

Thiagarajar college , Madurai
2026

MSME Idea Hackathon 6.0

SKCET , Coimbatore
2026
